Secretary to the Govt. of Mysore,
Revenue Department, Bangalore.

SIR,

Temporary Vety. pharmacies in cattle fairs.

I have the honour to forward herewith a copy of a circular letter written by me to the Presidents of District Boards with regard to the construction of the above at the several cattle fairs that take place in their respective districts and a copy of Mysore District Board President's reply No.C.903/L.B. of 21-22 dated 16/17th instant. It would appear from this letter that sanction of Government in the Muzrai Department is necessary to charge the cost, if any that may have to be incurred, to the funds collected at the fairs. I request that you will be so good as to obtain the general sanction of Government in the Muzrai Department authorizing Presidents of District Boards to incur an expenditure not exceeding Rs.50 in each case for the construction of temporary Veterinary Pharmacies if they cannot be got constructed free of cost by the villagers themselves.

I have the honour to be,
SIR,
Your most obedient servant,

Director of Agriculture

This office circular No.R.O.C.359-V.D.120-2 to the Deputy Commissioners & Presidents, District Boards of all districts.

*****

I have the honour to state that during important cattle fairs held in the Districts, I propose to depute Veterinary Officers to be on the spot to render Veterinary aid to cattle assembled in the fair in case of diseases breaking out among them. For this purpose it is necessary to provide temporary sheds for Veterinary Pharmacies and isolation grounds away from the fairs. The sheds can, I believe, be arranged to be put up, free of cost by the villagers and when small costs have be to incurred I am of opinion that the expenses incurred will be an appropriate charge on the funds collected at such fairs. The moral influence of the local Revenue authorities will also be required by the Veterinary Staff in having cattle suffering from contagious diseases removed to isolation grounds. I trust I may count on the cordial co-operation of your District Board in carrying out the above scheme. As fairs have already started, I shall be glad to hear from you at your earliest convenience as to action taken by you in the matter.

2. Letter No.C.903-L.B./21-22 of the 16/17th Dec.1921 from the President, District Board, Mysore.

With reference to your letter No.R.O.C.359/V.D.120-2 dated the 3rd December 1921 regarding the construction of sheds for Veterinary Pharmacies during important Cattle Fairs, I have the honour to state that it was resolved by the District Board at their meeting held on the 2nd April 1921 that the Muzrai Department might be asked as to whether it would bear the cost. In enclosing a copy of the resolution, I request that Government in the Muzrai Department may be kindly addressed in the matter.

As regards the construction of sheds free of cost by the villagers I am writing to the Amildars concerned in the matter and as soon as their replies are received, I shall send a final reply to you.
